WHY ABOLITION?

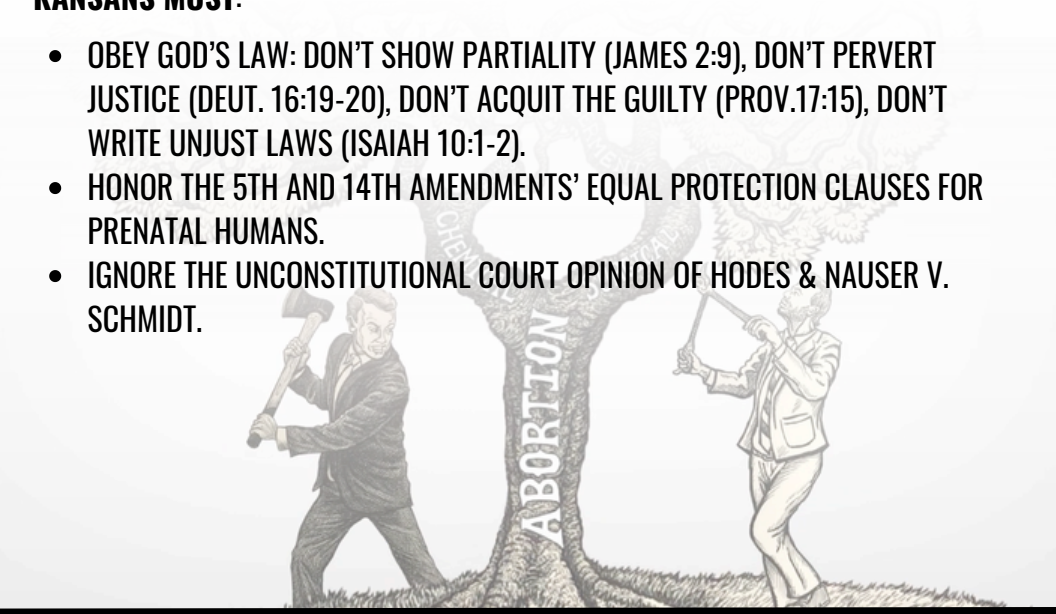

ABORTION IS MURDER AND MUST BE ABOLISHED, NOT REGULATED.

19K PRENATAL CHILDREN MURDERED IN KANSAS IN 2024

THE PRO-LIFE MOVEMENT AIDS THE ABORTION INDUSTRY BY REFUSING TO CRIMINALIZE THE ACT OF PRENATAL MURDER UNDER EXISTING HOMICIDE LAW. INSTEAD, PRO-LIFE LAWS REGULATE WHERE, WHEN, AND HOW WOMEN CAN MURDER THEIR PRENATAL CHILDREN. THE ABOLITION MOVEMENT SEEKS TO ABOLISH ABORTION COMPLETELY, TREATING IT FOR WHAT IT IS.

KANSANS MUST:

- OBEY GOD'S LAW: DON'T SHOW PARTIALITY (JAMES 2:9), DON'T PERVERT JUSTICE (DEUT. 16:19-20), DON'T ACQUIT THE GUILTY (PROV.17:15), DON'T WRITE UNJUST LAWS (ISAIAH 10:1-2).
- HONOR THE 5TH AND 14TH AMENDMENTS' EQUAL PROTECTION CLAUSES FOR PRENATAL HUMANS.
- IGNORE THE UNCONSTITUTIONAL COURT OPINION OF HODES & NAUSER V. SCHMIDT.

ARE THEY THE SAME?

ABOLITION

- **Biblical** - Abortion is the murder of an Image Bearer of God. Everything we believe, say, or do to fight abortion must be based on God's word.
- **Gospel Centered** - Abortion is sin and the only solution for sin is the Gospel.
- **Church Driven** - The only institution entrusted with the Gospel is the Bride of Jesus Christ. Abolition is the obligation of all Christians.
- **Providential** - We follow God's commands and trust in Him for the results. We are motivated by the second Great Commandment to love our neighbors as ourselves.
- **Immediate and Without Compromise** - We call for the total and immediate abolition of abortion without compromise. The laws against murder must apply equally to prenatal and born humans, with no exceptions.

PROLIFE

- **Avoids the Bible** - Uses politically correct language: abortion "ends a human life" or "stops a beating heart."
- **Man Centered** - Believes abortion should be made unthinkable through social programs, information campaigns, and regulative legislation.
- **Influenced Primarily by Secularists** - Operates by pragmatism and the fear of man.
- **Abides by Unlawful Court Opinions** - Writes laws that violate the U.S. Constitution by allowing the execution of prenatal children without due process of law.
- **Unjust** - Kansans for Life signed the 2022 National Right to Life Open Letter OPPOSING the complete criminalization of abortion. KFL wants some people exempt from prosecution.
