WHY NULLIFICATION?

RESTORING THE KANSAS CONSTITUTION & CRIMINALIZING ABORTION

PARALYSIS IN POLITICS

Since the 2019 Kansas Supreme Court Hodes & Nauser v. Schmidt ruling, lawmakers repeatedly tell us: "Our hands are tied. The court has spoken on abortion rights."

This claim assumes JUDICIAL SUPREMACY—the false belief that seven unelected judges outrank God's moral law, the Kansas Constitution, the U.S. Constitution and a legislature's delegated power to create just laws.

WHAT IS NULLIFICATION?

Nullification is the constitutional duty of a state to interpose—to refuse to enforce any ruling that violates fundamental human rights recognized by God and the U.S. Constitution.

It is rooted in the Doctrine of the Lesser Magistrate: when higher authorities issue unlawful or destructive decrees, local magistrates must step in to protect the vulnerable. In the case of abortion, nullification provides a check and balance to the court opinion that prioritized a woman's personal happiness over protecting the life of another innocent human being.

"TO CONSIDER THE JUDGES AS THE ULTIMATE ARBITERS OF ALL CONSTITUTIONAL QUESTIONS [IS] A VERY DANGEROUS DOCTRINE INDEED, AND ONE WHICH WOULD PLACE US UNDER THE DESPOTISM OF AN OLIGARCHY."

—THOMAS JEFFERSON

1798

Sedition Acts
KY & VA nullified unconstitutional speech bans

1850

Fugitive Slave Act
Free states defied U.S. Supreme Court slave mandates

TODAY

State Resistance
States refuse enforcement of federal firearm & cannabis bans

Nullification is not lawlessness—it's obedience to the Constitution. The Federalists stated in "Federalist No. 78" that the judiciary is to be the weakest branch of government: a branch of opinion only, with no physical force. No court can thwart Congress's right to make any law in accordance with the plain reading of the Constitution.

THE ABOLISH ABORTION KANSAS ACT
Encourages Constitutional Obedience

Enforces the 14th Amendment
Extends to prenatal children the same due process protections against unjust execution afforded to all other Kansans.

Directs Law Enforcement
Instructs KS officials and sheriffs to impartially enforce homicide statutes despite court injunctions.

Checks Unlawful Courts
Reclaims legislative authority from activist judges by requiring lawmakers to prioritize biblical and constitutional faithfulness over wrongful judicial opinions.

TAKE ACTION: Tell your State Senator & Representative to co-sponsor the Abolish Abortion Kansas Act and restore constitutional faithfulness!
